

OLYMPICS 2020?

What are you doing at around 4am on a school morning?

Let me guess..... Fast asleep!

Well Jermaine is at the pool training hard.

Albion pupil Jermaine is a Year 7 pupil who is focused on earning a place at the 2020 Olympics—and from what we hear he's certainly on track!

Jermaine swims for The City of Salford Swimming Club and has done so for the past 12 months.

“I love swimming! I keeps me fit and healthy and I have meet so many new people through the sport. It's hard work but its so worth it” Says Jermaine.

He races almost every weekend of the year and is currently setting the local swimming world on fire with his devastating power and speed in the water.

As you can see in our picture Jermaine has managed to earn quite a few medals in his time including a hefty amount of gold!

Jermaine has been offered the chance to go to a training camp in Germany this year in order to develop his talent even further.

Jermaine's next step is qualification for the national swimming meets where he has a fantastic chance of being spotted by a Team GB swimming scout.

The school wishes Jermaine all the best of luck for the future and hopes to see him swimming for Olympic gold in 2020.
